Foundations of a **Deeper Walk**

Genuine, lasting life change begins in the heart – not just with how we feel – but with what we believe. This seminar will introduce you to several perspectives and practices that can help you identify and overcome the obstacles that keep you from the deeper walk with God you crave.

Topics to be covered:

- The importance of discipleship that focuses on the Heart
- Finding freedom from spiritual bondage
- What every believer should know about spiritual warfare
- Uprooting the lies of the past
- Understanding your identity in Christ
- Overcoming the flesh by walking in the Spirit

Dr. Warner is a former pastor and Bible professor. He is the author of four books on Bible, discipleship, and spiritual warfare. Some of you may know him as the son of Dr. Timothy Warner, who serves with Freedom in Christ Ministries.
