

lifesteps

LIFE Steps are Living Room environments that move PCC attendees toward each of the four vital signs of LIFE. LIFE step classes are being offered now and are for anyone at PCC who wants to pursue the vital signs of LIFE.

Starting Point

Starting Point is a conversational environment where people can explore faith and experience community. Starting Point classes are a safe place for people with questions about faith, as well as those who want to learn about the Bible and Christianity.

Financial Peace

Financial Peace University (FPU) is a life-changing program that teaches you to achieve your financial goals by eliminating debt, saving for the future, and giving like never before. You will be challenged and motivated to make a plan for your money. The goal of Financial Peace University is not just information—we're looking for transformation. Dave's style is simple and easy to understand. He will change the way you think about money. You'll actually have fun as you learn!

Classes Start February 17—Sign up today at the FPU kiosk!

The Truth Project

The Truth Project is a starting point for looking at life from a biblical perspective. Each lesson discusses in great detail the relevance and importance of living the Christian worldview in daily life.

Contagious

Becoming a Contagious Christian will train you in how to share your faith. This class will provide you with Faith-sharing tools for presenting the gospel, give you confidence in telling your story in a style that fits your personality, and motivate you to reach out to family and friends!

Becoming a Man

Few things are more important to a young man than having a clear vision of what it means to be a man. And few things are more empowering to a son than receiving that vision from his dad. If we do not give our sons the biblical vision of manhood the world will define manhood for him.
