

## Baby Bottle Campaign

To help:

A **HÖPE**  
CENTER  
PREGNANCY & RELATIONSHIP RESOURCES

**Please consider taking a baby bottle from our Hope Center Kiosk and placing your spare change in the bottle beginning June 12/13 or June 19/20 through August 29 . Each dollar helps us reach out to men and women who are dealing with an unexpected pregnancy. A Hope Center serves as a safe place for clients to think through their fears so they can make an educated decision in regard to their pregnancy. Your contribution enables us to provide these services FREE to clients:**

- Confidential pregnancy testing
- Limited Ultrasounds
- Education on pregnancy, abortion and alternatives to abortion
- Maternity and infant clothing and baby furniture
- Parenting classes
- Speakers for youth groups and school classrooms
- Help in coping with a past abortion

Some children are hungry. Some parents are scared. Our clients need help to provide supplies for their children. You can help them! The money you collect will go toward helping us minister to those in need.

**Please return your bottles to the Guest Services Kiosk anytime through August 29.**

**Thank you!!!!**

## take it home:

Use this portion to take the message to the next level in your home. You may be single, married, with or without kids. You might be 18 or 80, but allow the applications from this teaching to make its way into your head and most importantly into your heart.

1. How's your level of compassion these days towards those at your table?
2. Who is the one person in your life that you can begin to demonstrate compassion towards in a way that looks like Jesus?
3. Take some time and read the story of the Good Samaritan (Luke 10:25-37). Discuss it and be vulnerable as you explore how much or little you've done to help others in need.
4. Consider the orphan – the one person who is not at your table who you can reach out to and include in your journey of God enlarging in you a heart of compassion.
5. Consider looking for ways to become more proactive with the Word in your daily life. On the next page is one family's example of how it worked for them. Use it freely.
